DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/31/06 has been entered.

REJECTIONS WITHDRAWN

2. All of the rejections with regard to claims 1-5 have been withdrawn since the claims have been canceled.

REJECTIONS REPEATED

3. All of the 103 rejections with regard to claims 6-10 only either maintained or set forth in the non-final rejection of 11/3/05, pages 2-3, paragraphs 2-4 are repeated for the reasons of record.

NEW REJECTIONS

4. There are no new rejections.

ANSWERS TO APPLICANT'S ARGUMENTS

5. Applicant's arguments filed 3/31/06 have been carefully considered but are deemed unpersuasive.

Applicant's argument is that the design of Sundet is formed from adhesive tape which is a design such as a "W" and applicant's invention forms the design from four different adhesive tapes to form a design. In other words, the design of Sundet is an integral design since it is formed from one tape and the invention is a separate design since four tapes are used to form the design. However, making something separable from that which is integral is obvious and well within the level of one of ordinary skill in the art (MPEP 2144). It would have been obvious to one of ordinary skill in the art to make the "W" of Sundet using separate pieces in order to form designs which are more aesthetically pleasing to the consumer.

Conclusion

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
